The Story of a Medicine.

Its name—"Golden Medical Discovery"—was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.

A glance at the list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. The strongest ingredients have received the strongest endorsement from the leading medical experts, doctors and writers on *Medical Medicine* who recommend them as the very best remedies for the diseases for which "Golden Medical Discovery" is advised. A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-over-coughs, and all those wasting affections which, if not promptly and properly treated, are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.

SOUTHERN CUTS DIVIDEND.

The directors of the Southern Railway Company in New York yesterday cut the semiannual dividend on the preferred stock of the company from 2 1/2 to 1 1/2 per cent.

President Finley made the following announcement:

"At a meeting of the board of directors of the Southern Railway Company the income account and results of operations for the fiscal year ended June 30, last, were considered. A dividend of 1 1/2 per cent, was declared on the preferred stock out of accumulated surplus, making a total dividend distribution of 4 per cent, for the year. For this purpose there was appropriated a portion of the surplus income carried forward from the year ended June 30, 1906, after payment of dividends for that year. In taking this action the directors were influenced by the consideration that the income account for the year reflects such abnormal and extraordinary conditions as may not reasonably be expected to recur. At the same time the directors considered that under existing conditions of high prices of supplies, material and labor, of increasing taxes and legislative reduction of revenues, it was the part of conservative prudence to limit the distribution of the profits of the company, at least until the permanent effects of such conditions can be fairly measured."

As a result of the announcement Southern preferred stock off from 58 to 53, where it closed on sales of 1,600 shares. The common stock held fairly strong, declining three-quarters of a point, to 15 1/2.

The reduction of the dividend to this basis is assumed to have been made on the advice of J. P. Morgan, who got back from Europe on Wednesday.

The income account for the year ended June 30, 1907, gives the following figures: Gross earnings, \$50,657,994; an increase over last year of \$3,016,555; operating expenses, \$44,699,282, an increase of \$4,926,143; net earnings, \$11,958,712, a decrease of \$1,909,587; total income, \$13,787,993, a decrease of \$1,669,438; balance applicable for dividends after payment of fixed charges, \$2,290,321, a decrease of \$2,938,744.

Eczema.

For the good of those suffering with eczema or other such trouble, I wish to say, my wife had something of that kind and after using the doctors' remedies for some time concluded to try Chamberlain's Salve, and it proved to be better than anything she had tried. THE TELEGRAPHERS' STRIKE.

Plans for a long struggle were carried forward by the striking telegraphers in New York yesterday, while from the offices of both companies came the usual report that their business was running smoothly and that normal conditions had nearly been reached.

It was officially announced that S. J. Small, national president, would arrive Sunday, and that, following his arrival, steps would be taken toward arbitration with the companies. If the companies still refuse to arbitrate, it was stated that an effort would be made to invoke the aid or intervention of President Roosevelt.

Belvidere Brooks, superintendent of the Eastern division of the Western Union, said again that his company would not consider any overture, and he announced frankly that the company did not desire union men in its service. He said: "It would be foolish to say that we had not been for months anticipating the strike. We had kept close track of union organization among our employees, because I will admit frankly that we have not encouraged it. Ours is entirely a confidential business, the details of which must be as closely guarded as the business of the United States mail. It is useless to believe that a union man will not be more devoted to his union than to his employers. It is necessary to tell anyone that in a large number of trades labor organizations exist, and these organizations are using the telegraph in all their business. An operator devoted to his union is not going to give to his employer the same consideration as to the secrecy of the business that would be given by a man not identified with a union. Therefore our business is not safeguarded as it ought to be if our men are identified with an organization that must be in sympathy with another organization of the same character."

I will mail you free, to prove merit, sample of Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Trouble of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside of the Heart and Kidneys, as well as their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bleeding, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative sold by E. S. Leadbeater & Sons.

RELIEF TO THE MONEY MARKET

Secretary of the Treasury Cortelyou announced yesterday a new plan of depositing government funds in New York, Boston and other cities to afford relief to the money market in the approaching crop-moving period.

Secretary Cortelyou did not state what week, at such points in the country as he shall designate, government funds to such an amount as he deems sufficient to prevent an acute monetary stringency and possible panic when the demand for money is greatest at the height of the crop-moving period.

The plan of the secretary for monetary relief is new to the financial world, and one which he believes will prove more efficacious than the old method of the Treasury Department in waiting until the country was severely shaken financially and then coming to the relief at the last moment by placing a large deposit of government funds in New York banks. Secretary Cortelyou did not state how much money he would deposit each week, though he indicated that the amount would equal the situation.

Neighbors Got Fooled.

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Unceupier, of Groveton, Stark Co., Ind. This King of cough and cold cures, and healer of throat and lungs, is guaranteed by E. S. Leadbeater & Sons, druggists, 500 and 518. Trial bottle free.
